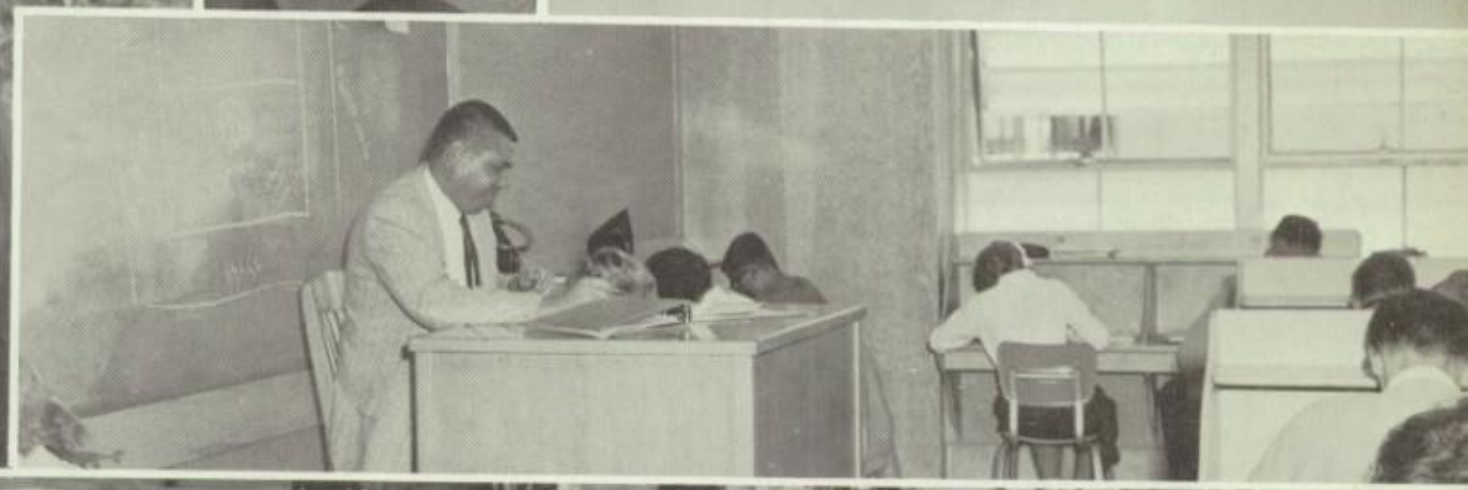
Aguila 1963

Clayton Valley High School

Concord, California

MASK DESIGN



MR ENEMARK

James

Some achieve fame for public service . . .

Yearbooks are dedicated to outstanding persons who have added in some special way to the entire school.

We should like to dedicate the 1963 Aguila to someone most deserving of such recognition.

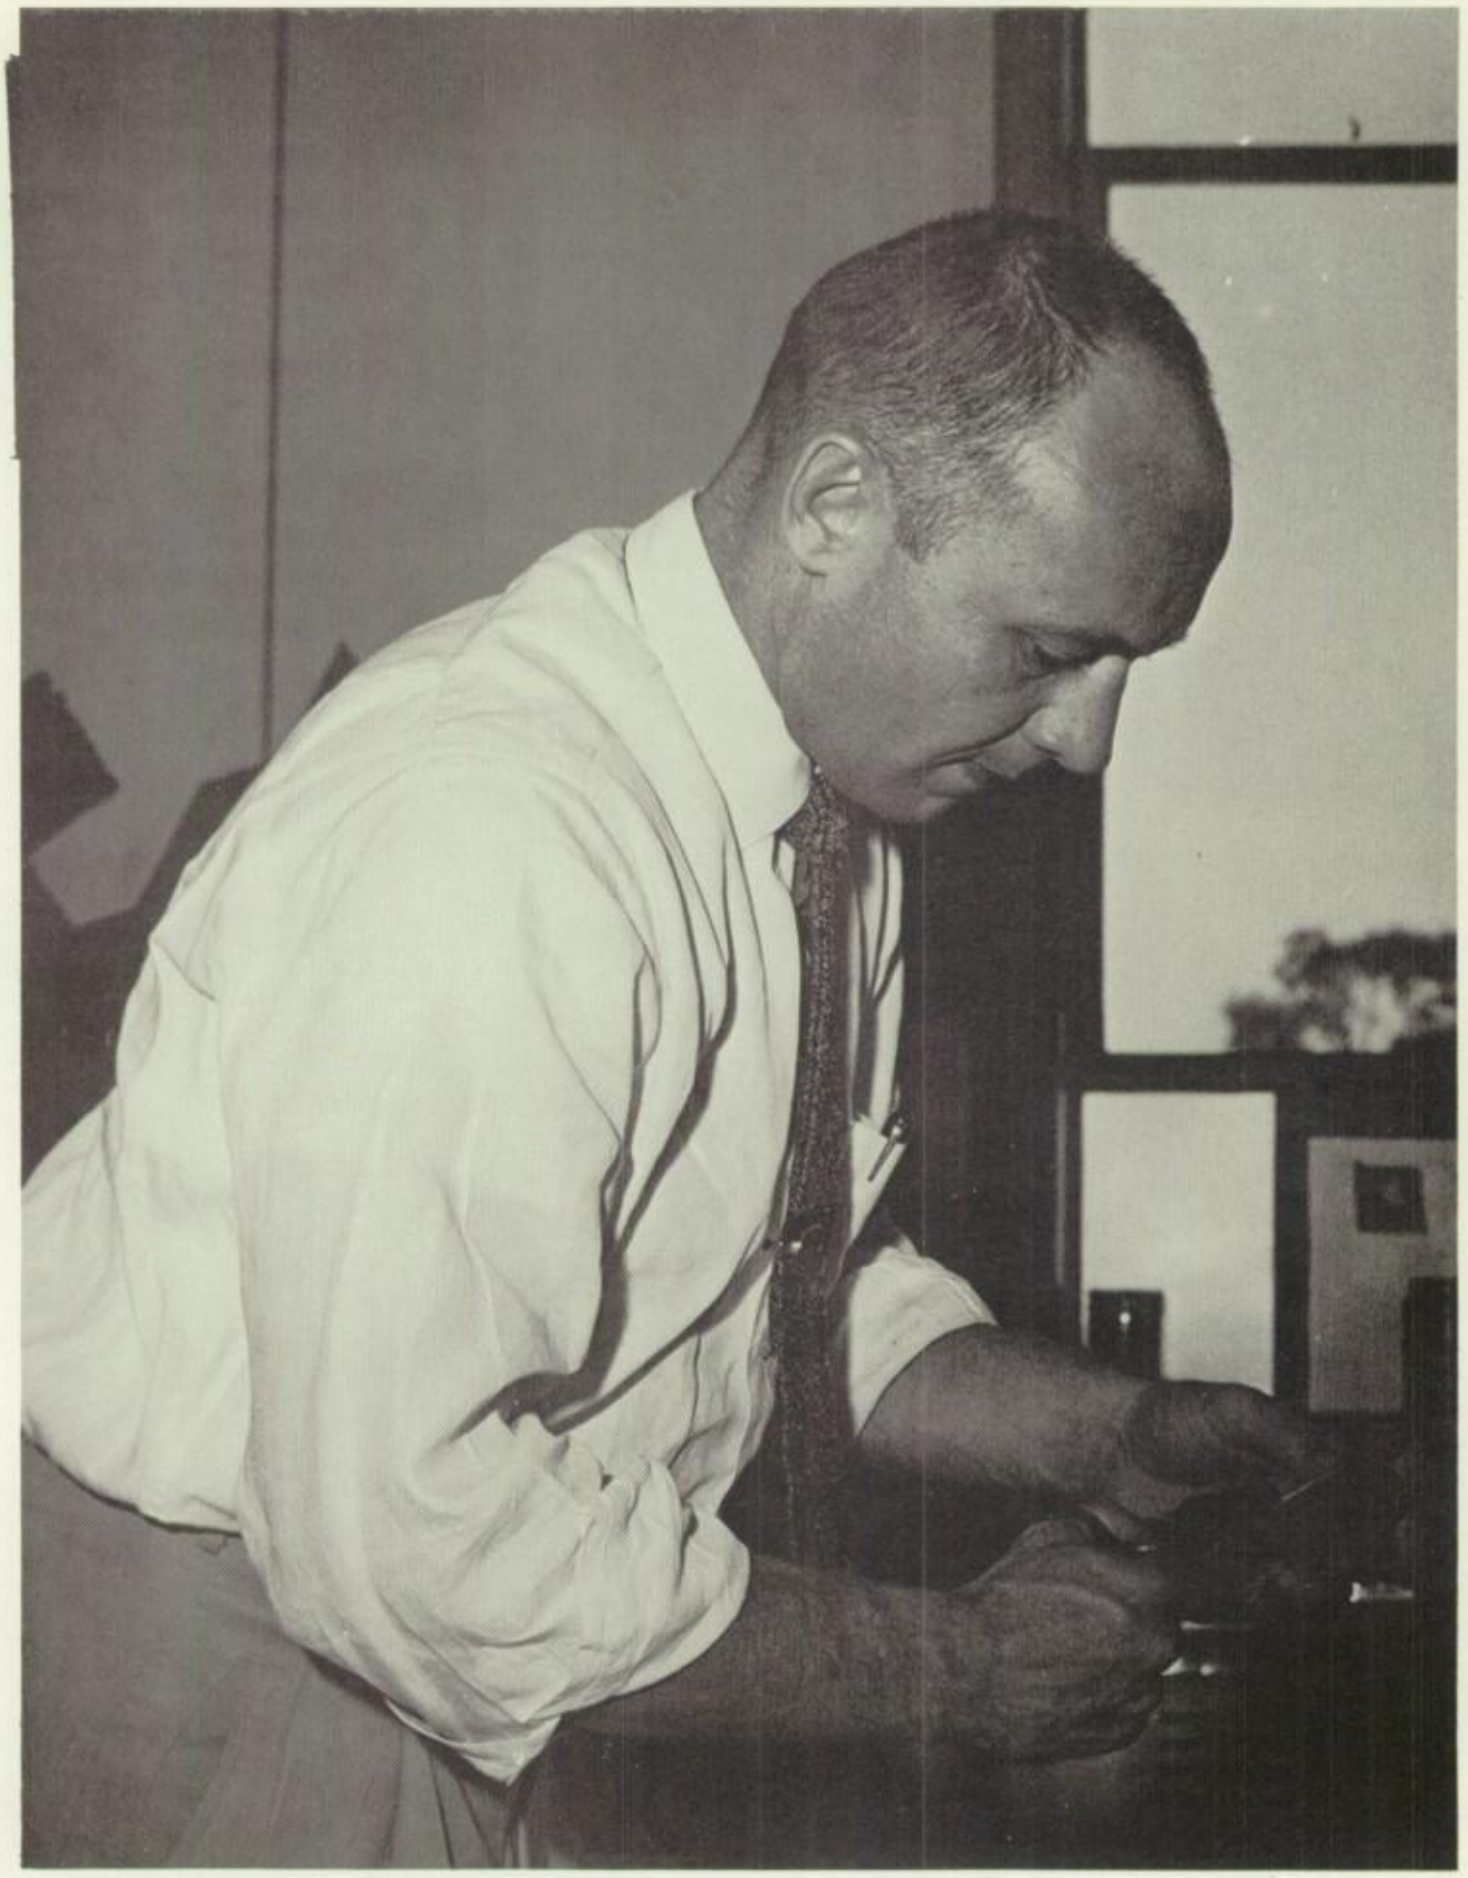
He is constantly helping students with all materials at his disposal; his talents are seen almost everywhere — on posters and programs, in the TALON; his humor brightens the dullest day, with marble race tracks, paint machines and "inner linings for outer space suits."

In short, he contributes so much to Clayton Valley High School that this dedication can only begin to show our admiration and appreciation for Mr. JAMES ENEMARK.

others, for knowledge of their subject . . .

others, for their looks . . .

Some achieve greatness through artistic ability . . .



others become great through their creativity . . .

Mr. James Enemark

Yet . . . "It is not what he has,
or even what he does which expresses
the worth of a man,
but what he is!"

Clayton Valley's Student Government

School problems are discussed and decisions reached at Student Council meetings held second period on Wednesdays. Elected by the student body, the seventeen members serve for one year terms. President, Dick Ewing, presides over these meetings. Activities this year included the joining of the California Association of Student Councils and the hosting of a DVIC Conference in January.
Bringing specific problems from Clayton Valley's 56 homerooms, the House of Representatives, composed of one delegate from each homeroom, meets under the gavel of Vice President, Bill Shuey.

From the land of tulips . . .

Amy Bais arrived August 7, 1962, from Holland for her stay in America.

Imagine what a fabulous year I've had at Clayton Valley: no teachers yelling at me, always something enjoyable around, no tardies and detentions and thousands of wonderful Americans teaching me.

I've never had a year like this. And really, Pizza has to go out of style before I'll ever forget this year. Thanks millions to everybody and the yearbook staff for giving me this square inch of valuable space.

I hope I've given you in return a broader picture of Holland than windmills, wooden shoes and Hans Brinker.

The girls of St. Ursula's Lyceum in Roermond gathered shortly after graduation before leaving school. Amy is in back row, fifth from left.

Ingrid Geiger was Clayton Valley's exchange student to Berlin, Germany during the summer of 1962.

Seniors 1963

The Class of 1963 will soon leave the halls of Clayton Valley forever. In a four-year period, it is easy to accumulate memories and form attachments; thus, it will not be simple for us to leave after graduation. College, which seemed a great distance away when we were Freshmen, suddenly looms before us, an unknown quantity, not at all familiar. The world beckons and we follow its finger regretfully forward.

Three years of hard work and good fun brought us to this place, and this year has been by far the best. The Breakfast, Announcements, the Banquet, Senior Service Day, the Picnic, the Ball, Baccalaureate, and ultimately, Graduation — all have added to the general excitement of being Seniors at last. Our one regret will be that this year went by much too quickly.

As we Seniors prepare to meet the future's challenge, we will take a long, good, last look at Clayton Valley High School. It gave us security which we now leave to find ourselves in the world. It will remain always in our memories, but in returning, will never be the same.

63's Class Committees

The success of major Senior activities is due to the student committees and faculty advisers.

Some of the memorable Senior events of this year were the Senior Breakfast, held November 14, in the Multiuse Room (with fresh eggs!), Senior Service Day, February 13, when the underclassmen became masters, and the Senior Picnic, May 17, when we "cut" legally.

Senior Announcements were ordered in early February, and Caps and Gowns in April. Career Day was replaced by a series of career speakers, who came on Tuesday mornings from 8 o'clock until 8:50.

The dress-up activities were the Banquet, held at the Claremont Hotel, April 5, and the Ball at Diablo Valley College, June 1.

The last activities were Baccalaureate, June 9, and of course Graduation, June 13.

Separately, they were "fun" affairs. All together, they made 1963 the best year of all for the Senior Class.

All growth depends upon activity. There is no development physically or intellectually without effort, and effort means work. Work is not a curse; it is the prerogative of intelligence, the only means to manhood, and the measure of civilization.

Juniors

This year has been a full one for the Class of 1964. They held their Junior Prom on April 19, initiated cocoa sales in the mornings, produced a Student Directory, and were responsible for brunch sales and campus clean-up under Junior Service.

As next year's leaders of the school, they will be setting new traditions for Clayton Valley, as well as following those already established.

They can look forward to a wonderful year as Seniors, planning and attending their many activities. It will be their best year, and it is to be hoped that the Class of 1964 will use and enjoy it to the fullest.

Phil,
We've had our fun in spanish this yr. some is pleasant some is not may God Bless you always

Sophomores

The spirited Class of 1965 discovered its place in Clayton Valley High's society this year. They actively participated in school sports, rallies, and assemblies. Many Sophs contributed to the success of the Christmas pageant, term plays and other dramatic presentations.

Sophomore Service kept the halls in order and free from disturbances. All students owe a debt of gratitude to the girls on Sophomore Service. In sports, the athletic Sophomore Class excelled. Football, basketball, track and wrestling all had Soph names on their rosters. Playing and practicing hard, they gave all for the teams.

The Sophomore Formal was a huge success. Amid the "Winter Wonderland" theme, everyone enjoyed the evening sponsored by the Class of '65.

In all, it has been a good year for the Sophomores, but they have two more years ahead of them which they will enjoy as well, or better than this one.

Freshmen

Bearing up under the strain of being "the low-liest ones," the Class of 1966 has come through this year in fine style.

They now progress to a higher level, that of "mighty" Sophomores, and are given the privilege of sneering at the new Frosh.

This year's Freshmen have much of which to be proud. The largest class ever, they have often led in spirit at games and rallies. They sponsored a dance on March 22. Their achievement in Frosh Football and Basketball has been very respectable.

The Freshman class still has a long time to wait, but it is to be hoped that they will make the most of it. Although they probably do not realize it, the Frosh are very fortunate. Any Senior can explain the advantages of three more years of comparatively worry-free security.

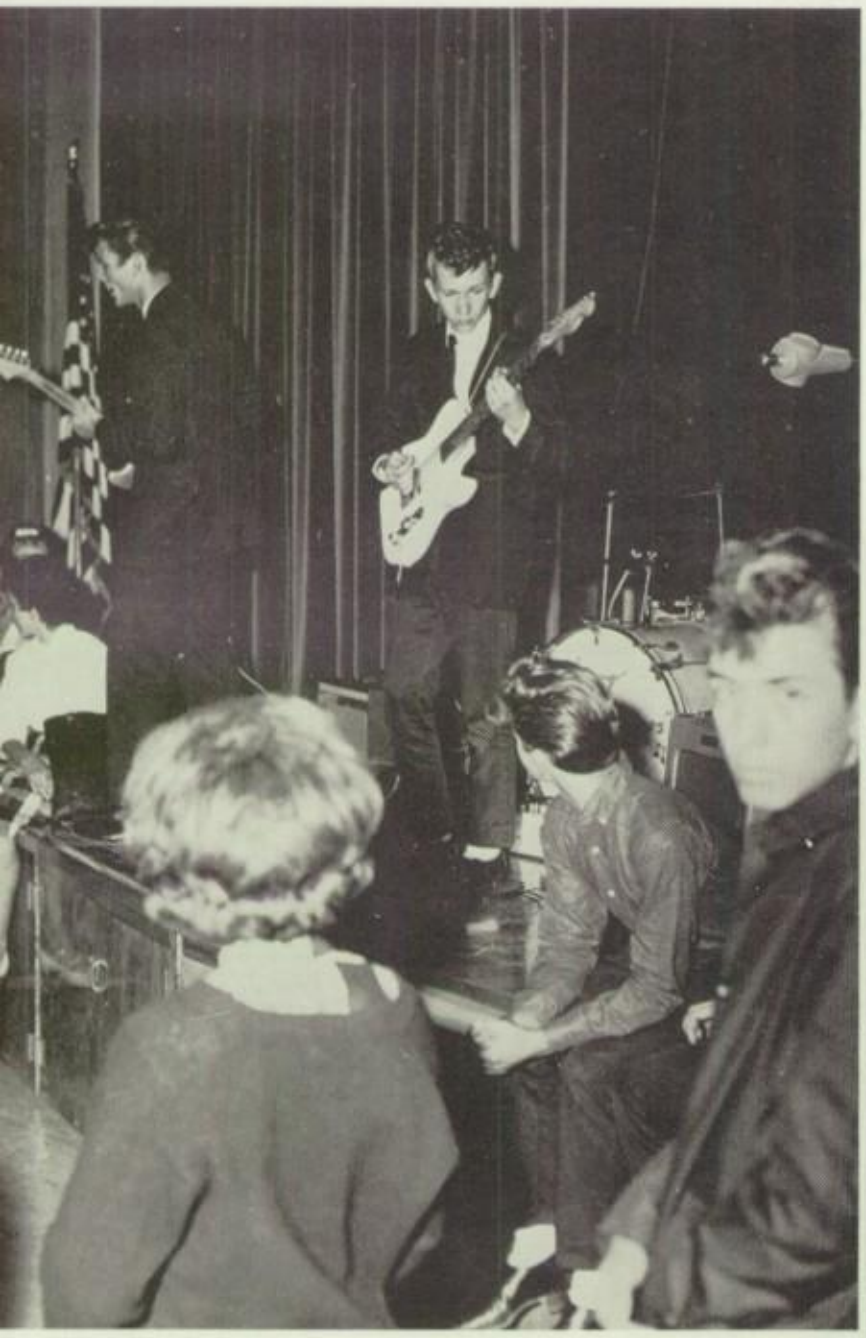
'66 Boosts Card Sales



The Runarounds under singing, guitar-playing Johnny Draper, '62, provided the music at the Twizzle.

An incentive for buying Student Activity cards, the Twizzle awarded free admission to all members of the class buying the most cards. Winner in this competition was the Freshman Class.

Students attending listened to the music of Johnny Draper and the Runarounds. In addition to boosting card sales, the dance provided an after-school activity which was fun and enjoyable.

Twisting was a major activity at the after-school affair.

Faculty

Much can be seen in a teacher's face—character, wisdom, pride in his work, love for his students.

Students tend to notice these qualities only after the teacher has cancelled a test, or given them semester "A's", but they are always present.

On the following pages are pictures of the faculty of Clayton Valley. In each face, the above-mentioned qualities may be found, if the time is taken to look for them.

Observe these people carefully—they are friends and advisers as well as teachers, and deserve much appreciation.

Principal

Clayton Valley's principal since the school opened in 1958 has been Mr. Dan Della. A familiar face at campus affairs, Mr. Della takes an active interest in athletic events, dances and various meetings. When he is not testing the pulse of the sprawling campus, Principal Della serves as president of the Pleasant Hill Rotary and holds membership in the Diablo Valley Athletic League after serving that group for two years as president.

A family man, the charcoal portraits of his four children, David, Linda, Jimmy, and Diane, drawn by his wife, Pam, hang in a special place in his office.

Organizations

No matter where a student's interests lie, he is usually able to find outlets for them in organizations on campus. The various clubs provide opportunities for exploring different fields of interest.

Language clubs, extensions of the regular curriculum, sometimes offer movies and field trips. Clubs such as Future Nurses, Future Homemakers, and Education Club give practical experience in possible vocations.

There are interest clubs for Math and Science and the Pep Club for spirited students. GAA and Block CV are open for the athletically inclined females and males, respectively.

Service groups include Senior Men's Honor Society, TOGA, and Girl's Council. Members work toward bettering the school through various projects. Many honor organizations are available for those meeting the qualifications. Examples are CSF, for excellence in grades; Quill and Scroll, for outstanding journalists; Mu Alpha Theta, a mathematics honor society; and Thespians, for advanced dramatists.

These many clubs add immensely to their participating members, and to the school itself. They are definitely an important part of campus life.

Scholarship Reps

Elected by their individual homerooms, the Scholarship Representatives meet with head counselor Jim Slusser and receive information about available scholarships. This material is then relayed to the students in homeroom, so that they will be able to apply if they meet the qualification.

Bottom row: Cathy Johnson, Judy Akenhead, Rita Beutel, Lynn Joy, Ingrid Wagner, Edith Rockwell. Top row: Steve Switzer, Skip Little, Eugene Montori, Fran Dingle, Vannessa Harrison.

Sales and Finance Committee

Taking care of all money coming into the general fund is the responsibility of the Sales and Finance Committee. Selling and taking game tickets is one of their main jobs.

Led by Sales and Finance Commissioner Joan Macy, the committee performs its duties with efficiency. A new addition this year was "Common Cents" a newsletter distributed to each committee member.

Bottom row: Candi Ohman, Linda Fredrickson, Pat Arnold, Nancy Pelmas, Joan Macy, Amy Bais, Pat Manlove, Mary Emery, Gloria Cook, Jan Bush, Judy Hood. Representatives from every club on campus, meeting Tuesday morning during homeroom, form the Inter-clubs council.

Under the leadership of Clubs Commissioner Marlene von Ubin, they discuss problems, projects, and any other factors affecting their individual groups.

This year the Clubs Council's main project was organizing the Clubs Assembly, intended to inform and interest the students in joining and participating in a club.

California Scholarship Federation

Bottom row: Dan Condron, Cheryl Brown, Kathy Roy, Carole Rode, Lynn Dalton, Bette Bogart, Drew Humphries, Vicki Dayton, Martha Phillips, Joanne Roskie, Janet Russell, Dick Ewing. Second row: John Wittwer, Judy Price, Nancy Pelmas, Lucinda Green, Eve Geiger, Sandy Froisland, Pat Sullivan, Nancy Nelson, Sally Larson, Kim Bogart, Jeanne Briscoe, Linda Henderson, Dan Dominy. Top row: Steve Stringham, Craig Pynn, Dean Roubos, Dick Laub, Bill Shuey, Ron Peck, Lee Casaleggio, Steve Breese, Randy Krumland, Keith Christiansen, Dave Valbracht, Barney Simonsen, Rich Donovan, Wiley Martin, Terry McCallum.

Making and maintaining a consistently high scholastic standard brings eligibility for membership in the California Scholarship Federation. To qualify for CSF a student must be carrying at least three academic subjects and must make a total of ten points, with A's worth three and B's worth one. This honor group, the highest academic group at Clayton Valley, must be applied for, and when accepted the student may look toward the rewarding goal of becoming a Gold Seal Bearer. This means belonging to CSF four out of six semesters during the last three years of high school. One of these semesters must be during the Senior year.

Lab Assistants

Behind the scenes in the Science Department are those who assist the teachers in taking care of equipment and supplies, taking inventory, setting up experiments and previewing them—the Lab Assistants. Their experience is first hand, and for those intent upon making science a career, time spent in this department is invaluable.

Bottom row: Lynne Berry, Sandye Shaw, Chris Krall, Linda Henderson, Jane Catto, Dick Laub, Drew Humphries. Top row: Pam Goheen, Gordon French, Barbara Armstrong, Mr. Raphael Belluomini, Linda Reynolds.

Quill and Scroll

Those taking journalism may look upward to becoming a member of Quill and Scroll, national honor society. The group is limited to those who have made an outstanding contribution to journalism at CV and have maintained a 3.0 grade average.

Not only is it an attainment to acquire membership in Quill and Scroll, but it is of great assistance to a student for entrance to a college or university.

Left to right: Jim Jordan, Sandye Shaw, Rich Krueger, Steve Poplack, Sue Neave, Gloria Cook, Ray Penning, Diana Leonberger, Judy Kennedy, Miss Sheila Boyer, advisor.

Mu Alpha Theta

This high ranking club is for Junior and Senior students who rate an over all B average, including a B in math. The club's enterprises are solving problems, and attending an annual convention. At California State College they compete for monetary prizes in the "Problem of the Week." They also take part in the math team competition held at Diablo Valley College.

Top row: Mr. Jim Woolum, Dan Dominy, Bob Muckey, Shelly Sack, Ken Cole, Randy Krumland, Barney Simonsen, Rich Phillips, Larry Disher.

Science Club

The magic of the Science Fair, the glitter of displays showing man's progress in electricity, electronics, astronomy, and the unfolding of biology, are goals of the Science Club. Promoting interest and participation in science, the club has now organized sections which include the Botanical Gardens, physics, chemistry, and astronomy.

Bottom row: Mike Tucey, Ken Cole, John Nelson, Barney Simonsen, Rich Phillips. Top row: Michael Garcia, Wayne Babros, Neal Oshiro, Robert Massey.

Model United Nations

Bottom row: Joann Jacobsen, Lucinda Green, Cheryl Brown, Carole Rode. Top row: Bill Shuey, Shelly Sack, Steve Brown, Dave Green, Bob Simpson.

This year Clayton Valley represented the countries of Great Britain and Ceylon at the Model United Nations Conference at the University of California at Berkeley.

Weeks of research and caucuses with other delegations were culminated at the General Session on March 1. At this session, amendments and resolutions were presented by students representing all the member-nations in the real United Nations in New York.

The delegates were chosen on the basis of ability, interest, willingness to work, and knowledge of the United Nations.

Junior Statesmen

Our future politicians, government officials, and legislators may be found among the members of the Junior Statesmen of America. A club for those interested in parliamentary procedure and government, the group's activities include debates and special instruction in public speaking.

Members also attend two and three day conventions, where interested students learn more about the actual functioning of the legislature by holding similar meetings of their own.

The motto of the Junior Statesmen is "Make Democracy Work."

Danielson, Steve LaKatos, Gary Ferguson, Vergil Pebley, Ron O'Neal, Ernie Rodriguez, Dave Turner, Herb van Wert, Larry Cummings.

Thespians

The polished dramas, the hilarious comedies, the soapbox operas . . . all may be the result of rehearsing among CV Drama club members. Besides training in dramatics, members acquire and improve their mastery of English. Poise and self-control are also developed, besides appreciation of dramatic literature and techniques. Hours of memorizing are filled with the rich rewards of these qualities, in addition to the fun of putting on the show.

Bottom row: Diane Dejesus, Sue Neave, Pat Manlove, Kathy Kershner, Jennifer Chamberlain. Second row: Carol Gackowski, Linda Lovelace, Herb van Wert, Sue Schmandt, Dick Weeks, Jim Norton. Top row, on ladder: Larry Disher, Steve Granquist, Lonnie Barnett, Rich Bailey, Georgia Swain.

Foreign Exchange Club

Bringing foreign exchange students into our area is the purpose of the Foreign Exchange club. Amy Bais from Holland is attending Clayton Valley through efforts of the club this year. Among fund-raising activities is the paper back book store with its stage door entrance. Social activities and assemblies are also held by the club. The club is a student branch of the American Field Service.

Education Club

Students interested in education and teaching find the Education Club a gold mine of opportunity. Not only does it offer members a chance to hear from and ask questions of teachers and administrators from a wide range of subject matter fields at various educational levels, but it also provides them with actual teaching experience.

Rootin' Teutons

The high point of the German Club's activities is the trip to San Francisco each year when the group dines at a German restaurant and attends a German movie. Students taking German who have a C average or better are eligible to join the club. In speaking German together, their knowledge of the language is increased. German culture, native customs and history are also learned.

Bottom row: Sandy Jacobsen, Dianne Kiger, Dee Mabry, Pat Manlove, Mary Ann Coen, Nancy McGinnis, Marietta Frumente, Mary McGinnis, Lynn Johnson. Commercial Club

Through the commercial club, interest in business skills and techniques is created. The organization provides, for its members, an excellent opportunity for increased knowledge in the field of business.

Guest speakers from various business colleges are invited to speak on subjects and programs.

Rally Executive Board

Spirit arousing is the main objective of the Rally Executive Board. This goal is accomplished through publicity and rally programs. Pride in Clayton Valley is built through the work of this group.

Bottom row: Mary Costello, Kathy Foster, Julie Shorten, Linda Henderson, Cathy Weidig, Colleen Conley. Middle row: Judy Trost, Joan Woods, Michele Smith, Bob Muckey, Nancy Korpi, Janet Sisson. Senior Men's Honor Society

The red, white, and blue caps worn each Friday are a symbol of CV's Senior Men's Honor Society. This group of twenty-five boys maintains high standards of conduct and improves school spirit at assemblies, rallies, and school activities through their personal behavior. The group is also noted as an honor society of which the school may be well proud.

TOGA

TOGA is a service organization composed of carefully selected honor senior girls. Those chosen are in the latter part of their Junior year and are selected by the faculty, administration and present TOGA members.
The choice is made on the basis of scholastic grades, citizenship, and school spirit.

To earn a block letter, a boy must have a total of 30 points. The blue sweater is awarded for 60 points, and the white sweater after 120 points have been accumulated. Points are awarded for each sport, with a 30 point maximum for a championship league or all-league team.

This year the Block CV Society sponsored a dance on March 1, with the proceeds going into a fund for a picnic.

Girls' Council

Newly formed this year, the purpose of Girls' Council is to represent every girl in the school with regard to problems and activities.

The council is made up of two girls from each class and girls' club.

As expressed by Girls' Representative Damaris Martindale, the purpose of Girls' Council is to get Clayton Valley girls functioning as a unit, not as members of separate cliques.

Pep Club

The Pep Club radiates school spirit and enthusiasm. The Pep Club is at school games, urging their team to win; the Pep Club is in the gym at rallies. The Pep Club is the personality of the school before other schools in competitive sports and throughout Clayton Valley.

The club is open to all student body members who wish to gain experience in planning rallies, in becoming song and cheer leaders, and in helping with half time activities at games.

Scrapes and scratches, bumps and bruises are just part of the fun that the GAA girls enjoy.

GAA is an organization which functions all year round in the different seasonal athletic games. The club consists of girls who like to participate in competitive sports and games against girls from competing schools.

Besides improving their skills and learning new ones, GAA girls are able to learn good sportsmanship.

The members participate in various sports such as baseball, hockey, and basketball. They have also been successful in promoting the annual turnabout dance and playday.

Clubs at Large

A new attraction at CV this year was the book store sponsored by the Foreign Exchange Club.

Activities

Under Activities are found most of the "fun" groups, including those with class status, and those which are extracurricular.

Here are the music groups: marching band, rally and dance bands, orchestra, girls' and boys' glee clubs, ensemble and choir. Also included in this group are the song and yell leaders, the majorettes and the TALON staff.

The Drama department is represented by the Christmas Pageant and the fall term play, THE MATCHMAKER.

All of these activities require a definite amount of hard work and patience. The participants deserve admiration and respect, for they contribute a good measure of strength and spirit to Clayton Valley High School.

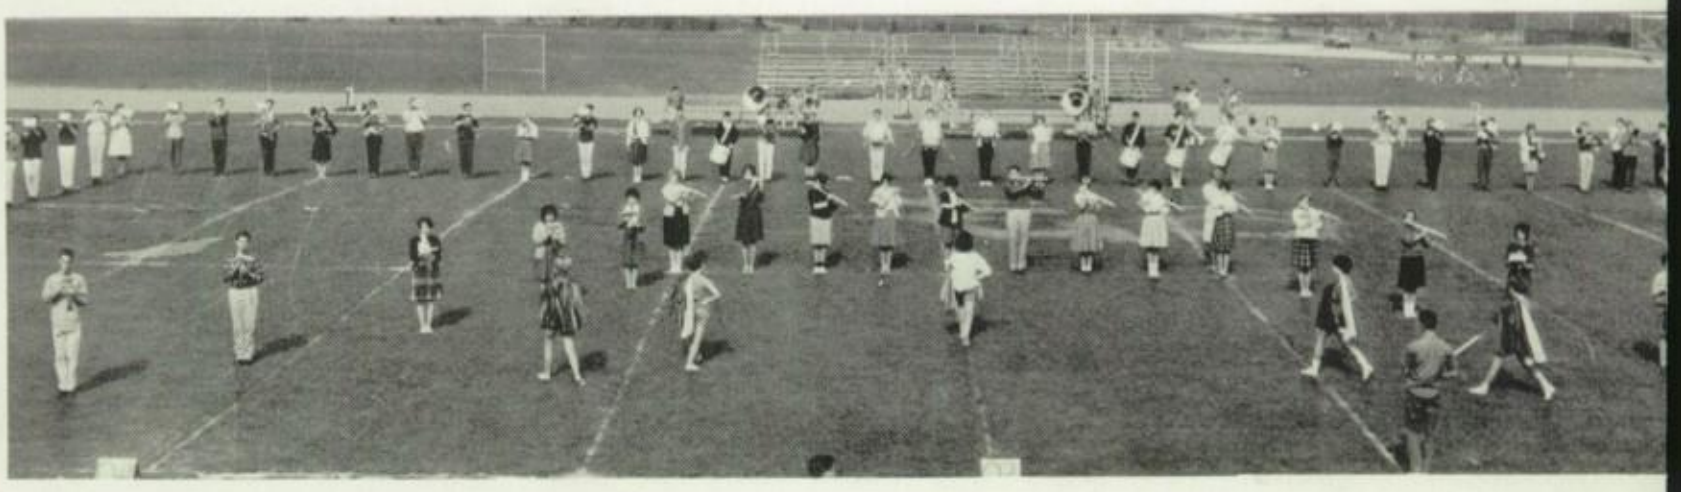
Band Activities

The Clayton Valley Band, under the direction of Mr. Frank Cavoto, has been very active this year in its more than thirty performances. Aside from producing the half time shows at all the football games, the band marched in the Pow Wow Parade, the Walnut Festival, and the Lodi Grape Festival Parades, receiving excellent honors. They also went to the California State Fair. During concert season they performed in the area festival. The annual Spring Concert helps to contribute toward the band fund.

Participating in the Advanced Band requires long hours of practice, but provides everlasting satisfaction.



Majorettes

This year's Majorettes, clad in red and silver, are very proud of the second place trophy they won in the annual Concord Pow Wow. This is the first trophy ever won by CV's Majorettes in the history of the school. The highlight of the year for the girls was the trip to the State Fair with the band. They entertained fairgoers for one day. Much of their success can be attributed to the time and patience extended to them by Mr. Frank Cavoto, band director.

Dance Band

The Dance Band is a relatively new addition to the Clayton Valley music department. Last year was the first year that it was offered as a full credit course, meeting during A period. Under the direction of Mr. Frank Cavoto, the Dance Band has made a terrific showing at all of its performances this year, including the various dances and a Jazz Concert in March.

Rally Band

Promoting spirit is the purpose of the Rally Band. At rallies and basketball games, this casually dressed bunch toot and bang out notes of spirit. This year the Rally Band was divided into two groups, each one taking turns playing at the home games; the entire band played at the rallies. Student director was Larry Disher, senior music student.

Selection of the Vocalaires is based on voice quality and sightreading ability. The final chosen sixteen are usually also members of choir, but this is not a requirement for acceptance.

The Vocalaires are kept busy throughout the year with preparation for performances requested by various civic and school groups. The high point of the year is their performance at the Bay Area Music Festival, where they have received superior ratings.

Girls' Choir

Girls' Choir, organized this year, is a performance group which meets as a regularly scheduled class. Members are chosen by the director, Miss Margaret Cartwright, on the basis of good musicianship and voice quality. They rehearse and perform the most difficult music for womens' voices. Their appearances this year have included a Christmas Concert for the AAUW, the Christmas Pageant, Girls' Assembly, the Spring Concert, and the Area Festival.

MISS MARGARET CARTWRIGHT
Choir Director

Clayton Valley's

The Clayton Valley Choir has been in existence since the founding of the school in 1958. At its inception, the choir consisted of about 30 members, but since that time it has grown to over 70 members. The members are chosen by Miss Margaret Cartwright on the basis of proven ability in vocal music.

Though a class, choir is run as an organization with elected officers who assist Miss Cartwright. There are five established officers.

Choir is widely known as an excellent performing group. They have repeatedly received superior ratings at the annual Music Festival. The performances at the festivals, along with the local ones, are anticipated with hard work throughout the year.

The cast of the play included Rich Bailey as Scrooge; Larry Disher as Bob Cratchit, Mike Mart as Scrooge's nephew, Sean King as Marley's ghost, Bob Massey as the ghost of Christmas present, and Bonnie Fredrickson as the ghost of Christmas yet to come. Mr. Bill Trueblood directed the play.

Sports

After a dismal start, sports at CV picked up greatly as the year progressed.

The CV football team, after high pre-season ratings, suffered its worst season, winning one, losing seven, and tying one. Coach Pat Murphy's ball players, suffering several key injuries early in the season, made respectable showings only thrice. Losing to Alameda, the number one team in the East Bay 13-0 to start the season, tying Pittsburg 0-0 in what Murphy called the finest defense game in four years, and beating College Park 7-0. Ironically, the lone Eagle win came in the only game played on the Clayton Valley field.

The sports scene remained dismal with the start of basketball, as coach Bruce Iverson's Eagles lost in their first three tries. Things got better though, as CV landed second spot in league play with a 10-4 record.

Coach Bill Martell's wrestling team brightened Eagle morale by first, in the league competition, not losing one match all year. Team captain Pete Laurence won a state championship in his weight division.

With spring came Clayton Valley's best all round track team, under the trained eye of coach Mike Maramonte, several new school records were established this year.

Varsity Football

The Eagles, winning only one game of nine, placed sixth in the CC-DVAL this year. A preview of the entire season occurred on the first play of the first game, as end Gerry Cross broke an arm and was sidelined for the season. He was joined by several others before the end of the game. Despite these injuries, the Eagles made a respectable showing against the number one team in the East Bay, losing to Alameda 13-0. After losing three in a row, including a humiliating 41-0 loss to Livermore, things looked even gloomier as the Pittsburg game was rained out. It was played the following Monday night, and the Eagles came through with their best defensive game in four years, tying Pittsburg 0-0. Clayton Valley's only win came when the Eagles slipped by College Park 7-0 on a fourth quarter pass. Ironically it was the only game played on our home field all year. Against Antioch, the Eagles had big plans for an upset, but this vanished quickly and Antioch went on to win 34-6. The only consolation of the season was the naming of guard Chuck Allen and end Joe Richardson to the second team All League.

Varsity Basketball

The basketball team started off very slowly this year, losing their first three games. Then Gerry Cross came back from his broken arm and gave the team a big boost. The Eagles' pre-league record stood at three wins and four losses. In the first round of league play, the Eagles won their first three games, but lost the next three to Pittsburg, Antioch, and College Park. After the first round was over, Coach Iverson's hoopsters stood in a three way tie for third with four wins and three losses. During this time Jim Flint, playing his first year of organized basketball, flowered out as a first string center.

During the second round, the Eagles became a high scoring machine, with consecutive winning scores of 80-72 and 62-61, over Antioch and Pittsburg. Against the Panthers, Steve Breese set a new school scoring record by putting in twenty-nine points, eclipsing by one the old record.

Wrestling

An outstanding season was posted by the varsity wrestling team. The team won both the DVAL dual match championship and the DVAL tournament championship. A season record of 15 consecutive dual match victories was highlighted by the undefeated records of Mike Carroll and Tom Hook. Carroll was voted the outstanding wrestler at the DVAL Tournament. His season record at that point was 17 wins, including 13 by fall. Tom Hook also went through the DVAL as champion and placed second in both the North Coast Sections Tournament and the Northern California State Invitational Tournament. Early in the year Pete Laurence was elected team captain and justified this honor by winning everything in sight. Pete wrestled throughout the dual match season at any weight from 141 lbs. to 175 lbs. He was DVAL North Coast and State Champion at 141 lbs. His season record was 25 wins, 1 loss, 2 draws. Further honors came to Pete when he was selected East Bay Prep Writers Association Prep of the Week and was feted at a luncheon where he received a trophy and press and radio recognition.

ul,
Please stay as
ice and good as you
. You're really a terrific
y that has a lot in store in the
ture. Have a real great summer.
Love always
Betty

reen be the turf above thee,
Friend of my better days!
one knew thee but to love thee,
Nor named thee but to praise.

ars fell, when thou wert dying,
From eyes unused to weep,
nd long where thou art lying,
Will tears the cold turf steep.

hen hearts, whose truth was proven,
Like thine, are laid in earth,
ere should a wreath be woven
To tell the world their worth.
